### **It's All in the Details**

We are advocates for our customers. Working to meet the different industry standards and retailer requirements. We don't believe there's anything "stock" about the packaging business; it is custom designs, relationships, and integrity that break RLR Packaging & Design out of the box. We are a premium, global supplier of wholesale packaging, offering custom designs and stock inventory from our US warehouse.

### **Our Commitment to Quality**

We are dedicated to producing quality wholesale packaging for the world through continuous attention to detail. We offer premium, phthalate free vinyl products that are continuously tested against and meet Prop 65 and REACH standards.

### **Personalized Packaging**

We are committed to making innovative and custom packaging available to businesses of all sizes. At RLR Packaging and Design, LLC, we try to make the entire process as smooth as possible from inception to final design.

With our emphasis on attention to detail, knowledge of materials, production abilities and ultimately customer satisfaction, you can count on original packaging designs that meet your product needs and budget.

### **Dedicated Customer Service**

With over 45 years of combined experience, our trusted team can help to provide affordable solutions and remarkable customer service. If you have any questions, call or email us anytime and we will get your questions answered without the endless transfers between departments. We are in continuous communication with our production team, which enables us to address your questions, concerns and changes quickly.

Our custom product request form ([www.RLRpackaging.com/our-products](http://www.RLRpackaging.com/our-products)) will help you to examine details of your product design which will help us to provide you with the best options - taking your product and business to the next level.

### **Solutions to Sac Your Chaos**

RLR Packaging has simple and innovative solutions for all your packaging, storage and travel organization needs. We can help you design storeroom and closet organizers, shoe & clothing protectors, linen storage, luggage organizers, clear security bags and much more.

RLR Packaging offers a diversity of materials to work with including PPNW (polypropylene non-woven), PVC vinyl, PP (non-vinyl material), PEVA, EVA, MPE, nylon, mesh and a variety of natural materials (hemp, canvas). Your options can be nearly limitless.

### **CUSTOM PACKAGING**

We can help you walk through your product design needs. Create any style packaging that will make you stand above your competition. We can help generate ideas for packaging that can

be anything from very simple to very detailed and elaborate. Let us help you work through the materials and design elements to get the best functional packaging at the best price to showcase your product offering.

### **STOCK PACKAGING**

We at RLR Packaging understand that businesses come in all different sizes. The many different needs of packaging are a corner stone of any successful product. As a premium packaging supplier our philosophy is to be able to offer an affordable solution to any size business, even the hard-working Entrepreneurs and Start Ups. Let us help you grow your business and ensure you have the right packaging for your product and budget. Have a look through our wholesale stock inventory selection at [www.RLRpackaging.com/stock](http://www.RLRpackaging.com/stock).

We use phthalate free materials that are Prop 65 and REACH compliant. We offer 1 case minimums and can ship within 24 hours. If you can't find what you are looking for, give us a call and we can discuss your needs in further detail.

### **In the end ... are you covered?**
